Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of **Llandow Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's receipts and payments and financial position:

- The Council has not provided sufficient, appropriate evidence to support payments of expenses
- Although the Accounting Statement reports the transactions incurred, in my opinion there is a significant overpayment of salary (see below).

Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 2: Internal control
 - The Council has paid the Clerk an amount for telephone and broadband that exceeds his contractual entitlement of £12 per month. I have not seen evidence of a variation to the contractual entitlement.
- Assertion 3: Compliance with laws.
 - My audit identified a significant overpayment of salary to the Clerk.
 - The Income Tax (Earnings and Pensions) Act 2003 and the Income Tax (Pay As You Earn) Regulations 2003 requires the Council to operate PAYE. PAYE is applied to the employee's gross pay.

- The clerk is paid based on the NALC scale. The pay scales reported in this scheme are for gross pay.
- The clerk has been paid the gross amount payable per the NALC scale as net pay. Therefore the clerk has effectively not been subject to income tax on his gross pay.
- Furthermore, under the Clerk's contract of employment he is entitled to be paid at a specified point on the NALC scale. This is set out in his contract of employment dated 2010. However, the NALC scale was amended in 2019. The clerk has been paid at a higher pay point than set out in his contract .
- The total overpayment I have identified is £2,215.
- On the basis of the above, in my opinion, the Council has incurred expenditure contrary to law of £2,215 in 2023-24.

Other matters and recommendations

There are no further matters I wish to draw to the Council's attention.
